Historical Note:

Pilgrim's Progress was first published in 1678 and was immediately an enormous best seller. 100,000 copies were sold in Bunyan's lifetime, an unheard of quantity. *Pilgrim's Progress* has never been out of print and has been translated into over 200 languages. Apart from the Holy Bible, *Pilgrim's Progress* is believed to be the next all time best selling book (exceptions being probably the *Koran* and more recently *The Thoughts of Chairman Mao – The Little Red Book*).

**** The story has been kept as near as possible to the original: adapting, simplifying and condensing, but keeping the beauty of the phrasing wherever possible.**
